Introduction

NT Christian Schools is a Christian organisation. It exists to advance the Christian religion through the provision of education and religious instruction. Accordingly, in furtherance of the religious ethos of NT Christian Schools all staff will be required to deliver or contribute to religious education, to lead or otherwise assist in the conduct of religious services and otherwise engage in religious practices and observances (including, but not limited to, leading prayers or devotions and sharing testimonies), either with fellow staff or students. As representatives of NT Christian Schools, it is a genuine occupational qualification of such roles that applicants hold and act consistently with the religious beliefs of NT Christian Schools, including as articulated in the Policies and Procedures of NT Christian Schools.

All people who work for NT Christian Schools or any of its subsidiary organisations are expected to have a clear understanding of, and unqualified commitment to, its biblical basis, the Statement of Beliefs. They should act both in the workplace and in other areas of life in ways that are consistent with that basis. Acknowledging that all people are fallible and good can ultimately only come from God, staff members are expected to be committed to Jesus Christ and ought to serve and love one another as Christ loves them.

NT Christian Schools exists to provide a thoroughly Christian education and to give effective witness to the biblically based religious beliefs of the Company. As such, holding the religious beliefs of NT Christian Schools as articulated in the Policies and Procedures of NT Christian Schools is a genuine occupational qualification of this role.

You are expected to have a clear understanding of, and unqualified commitment to the biblical basis, including as articulated in the Policies and Procedures of NT Christian Schools, and to act both in the work place and in other contexts in ways that are consistent with those beliefs, in order to provide an authentic Christian witness.

This role requires House Parents to practice, deliver and contribute to religious education in a manner that is consistent with the Policies and Procedures of NT Christian Schools and to model a life consistent with those beliefs. As such, this role requires the highest commitment to the Lord, the Bible

and to schooling from a distinctively Christian perspective, consistent with the Policies and Procedures of NT Christian Schools.

This will be evident in supporting the teaching of the Australian curriculum from a biblical worldview, participating in and leading staff devotions and leading student devotions and prayer time and through the sharing of your personal testimony. In addition, staff offer a reflection of their own growing relationship with Christ, which is itself affirmed by living a life consistent with the teaching of the word of God. Accordingly, the modelling of an authentic Christian life is a core requirement of the position, reflecting the foundational contribution the position makes to the maintenance of the religious ethos of the school.

With a mutual commitment to God through Jesus Christ, staff members ought to serve and love one another as Christ loves them. This also means an acknowledgement that all people are fallible and need to be entirely reliant upon God. NT Christian Schools has expectations of mutual love, service, trust, acceptance, patience, forgiveness and support.

All employees for NT Christian Schools are to be committed to ensuring child safety, health and wellbeing practices are followed and upheld. These practices are embedded in NT Christian Schools policy and culture as guided under current legislation.

General Expectations

Marrara Christian College seeks to be a learning community where parents and staff partner together, and where students are nurtured through a loving, biblically based school curriculum to build their faith, character and desire to serve. We desire to be a Christian community, learning together to live life as God intended, offering hope for the world.

Offering a unique boarding program for remote indigenous students, boarders live in a combination of suburban houses and on-site family group homes, with a mature Christian married couple (a 'Mum and Dad' figure) who care for them full-time. These house parents take boarders to church and youth group, and arrange sport, weekend activities and healthcare appointments for them. Boarders learn to live in harmony with others, to be good neighbours and take on responsibilities at home – like chores and doing life together.

It is an expectation that House Parents meet the National Standards for Boarding and Student Accommodation (*Copy of which can be obtained from your Line Manager, or online at: <https://www.boarding.org.au/about-us/national-standards>*) in conjunction with the NT Christian Schools Code of Conduct and other policies and procedures of NT Christian Schools

These responsibilities and duties are underpinned by expectations of generosity, openness, teamwork, effectiveness, efficiency, attention to detail, pleasant working relationships and maintenance of an effective, Christ-centred and safe work environment.

Primary role

Your main responsibility will be supporting relief for the full-time house parents, and working with them to promote the daily operations of the Family Group Home, which includes caring for students, providing meals, establishing routines, maintaining the house, communicating with others in a manner that aligns with Christian principles. You will help support the boarding students to complete medical appointments including dental, vision and general check-ups. You will be required to work your hours as negotiated between you and the FGH Manager, in order to cover required support at

the FGH. This should be done while ensuring that students receive a Christ centred education as outlined in the Policies and Procedures of NT Christian Schools.

This requires the highest commitment to the Lord, His Word and to schooling from a distinctively Christian perspective and in accordance with the decisions of the NT Christian Schools members enacted through the College Council and NT Christian Schools Board.
