Introduction

All people who work for NT Christian Schools are expected to have a clear understanding of, and unqualified commitment to the biblical basis, *'What We Believe'*, and to act both in the work place and in other contexts in ways that are consistent with that basis.

With a mutual commitment to God through Jesus Christ, staff members ought to serve and love one another as Christ loves them. This also means an acknowledgement that all people are fallible and need to be entirely reliant upon God. The association has expectations of mutual love, service, trust, acceptance, patience, forgiveness and support.

General Expectations

Your work for the organisation involves serving and supporting those people for whom we exist, namely students and their parents. This is the core function for all people employed by NT Christian Schools. Each is expected to work as a member of a team serving and supporting each other in the various tasks to which God has called them. Each team member is expected to contribute positively to the maintenance of a pleasant, purposeful, productive and safe workplace.

These responsibilities and duties are, therefore, underpinned by expectations of generosity, openness, teamwork, effectiveness, efficiency, attention to detail, pleasant working relationships and maintenance of an effective, attractive, safe work environment.

The Early Learning Centre Director reports to the Principal.
