

Applications are sought from committed active Christians for the position of:

ICT - SCHOOL SUPPORT with NT CHRISTIAN SCHOOLS

Based in the Darwin region, the successful applicant, under supervision of the ICT Manager, will be responsible for the maintenance, application and oversight of ICT services within the NT Christian Schools environment, as well as providing support for other staff who work in the region for NT Christian Schools. The applicant will be required to work cohesively with staff and is encouraged to be an invested member of the school community. The applicant will work closely with the Principal and executive staff to ensure the day-to-day ICT operations of the school is sufficient and any future needs or developments are identified.

The successful applicant will be able to demonstrate a sound knowledge of ICT diagnostic ability and experience in complex technical problems. Applicants should have the ability to work independently as well as in a team ensuring effective prioritization of tasks. The successful application will also be able to embed their Christian faith into all aspects of their work. We encourage applicants who are currently studying towards a ICT qualification and/or with sound experience to apply. Remuneration will be based on a qualification and experience. For general information please contact us as per details given below.

Only applicants with full Australian work rights will be considered

***Position commences as negotiated
Applications are considered as received***

Please download the [employment application form](#) and [Statement of Faith](#) from this website, address the Selection criteria as set out in the job description and include it with your CV:
