Introduction

All people who work for NT Christian Schools are expected to have a clear understanding of, and unqualified commitment to the biblical basis, *‘What We Believe’*, and to act both in the work place and in other contexts in ways that are consistent with that basis.

With a mutual commitment to God through Jesus Christ, staff members ought to serve and love one another as Christ loves them. This also means an acknowledgement that all people are fallible and need to be entirely reliant upon God. The organisation has expectations of mutual love, service, trust, acceptance, patience, forgiveness and support.
